

**RED LEOPARD HOLDINGS PLC**

(“Red Leopard” or the “Company”)

**Movement in share price and response to press speculation**

Red Leopard notes its recent share price movement and press speculation regarding the possible acquisition of a residential property-related business. The Company can confirm that it continues to look at various opportunities in the leisure and hospitality market as well as property-related businesses but any transaction or transactions remain at a preliminary stage and no formal agreements or contracts have been entered into.

A further announcement will be made as and when appropriate.
